☐ Yes ☒ No (If you answered no, explain why below):

(Form WV-200-INFO explains what is proof of personal service. Form WV-200, Proof of Personal Service, may be used to show the court that the papers have been served.)

If you want there to be fewer than five days between service and the hearing, explain why:

☐ Reasons are stated in Attachment 13.

14 ☒ **No Fee for Filing**

I ask that there be no filing fee because the respondent has threatened violence against the employee, or stalked the employee, or acted or spoken in a manner that has placed the employee in reasonable fear of violence.

This is not a Court Order.

15 ☐ **No Fee to Serve Orders**

I ask the court to order the sheriff or marshal to serve the respondent with the others for free because this request for orders is based on a credible threat of violence or stalking.

16 ☐ **Court Costs**

I ask the court to order the respondent to pay my court costs.

17 ☐ **Additional Orders Requested**

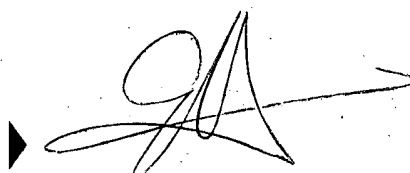

I ask the court to make the following additional orders *(specify)*:

☐ Additional orders requested are stated in Attachment 17.

I, Emmanuelle Soichet, declare:

1. I am a Deputy City Attorney for the City of Berkeley. I have worked for the City of Berkeley since March 2019 and have been a practicing attorney since 2012.

2. I am informed and believe that Respondent has a history of harassing and threatening conduct towards Berkeley Mayor Jesse Arreguin.

3. I am informed and believe that on February 26, March 25, and March 28, 2019, Respondent posted violent threats online stating that he would beat and kill Mayor Arreguin.

4. I am informed and believe these threats are the latest escalation in a campaign of harassment against the Mayor and his staff that began in or around 2017 and continued in 2018, including defacing of public property outside of his house and his staff member's house, and in-person threats of violence made by Respondent to Mayor Arréguin during a public meeting on June 21, 2018.

5. I am informed and believe that Respondent's recent threats of violence against Mayor Arreguin constituted a credible threat to the Mayor's safety and of the safety of his employees.

(Add pages as required)

1 I, JESSE ARREGUÍN, declare as follows:

2 1. I am the Mayor of the City of Berkeley ("City"). I was elected Mayor in November
3 2016. Before then, I was a City Council member in Berkeley from 2008 to 2016, an elected
4 member of the Berkeley Rent Stabilization Board from 2004 to 2008, and a legislative aide for
5 former Berkeley Council member Kriss Worthington from 2007 to 2008.

6 2. I have known Zachary RunningWolf¹ for about 12 years, beginning when I served
7 on the Rent Stabilization Board. He is a vocal and long-time member of the Berkeley
8 community, who regularly attends and protests the meetings of the City Council and other city
9 commissions. Throughout the time I have known Mr. RunningWolf, he has been outspoken and
10 his comments and conduct have been known at times to be menacing, volatile, and aggressive.
11 He regularly interrupts public meetings, shouting profanities at me and other public officials.

12 3. Like me, Mr. RunningWolf was a candidate for mayor of Berkeley in 2016.
13 Beginning in 2017, Mr. RunningWolf has harassed me and my staff with claims that he won the
14 election for mayor and that my elected position is illegitimate, and calling for my resignation.
15 While I believe this behavior to have been hostile and disruptive, I also strongly believe that
16 protest and public comment serve an important role in the democratic process. So I have resisted
17 until now filing a restraining order, out of respect of Mr. RunningWolf's First Amendment rights
18 to free speech and to petition the government.

19 4. However, Mr. RunningWolf's behavior has escalated from personal and profane
20 attacks about the 2016 election results to repeated threats of violence against me, including death
21 threats in the past several weeks. As a result, I feel that I must take this step to protect my safety
22 and the safety of my staff.

23 5. Mr. RunningWolf's recent threats have been posted from his Twitter account
24 (@ZachRuningWolf). The messages all contain location stamps indicating they were posted
25 from Berkeley, where I live and where I believe he may be living.

26
27
28 ¹ While I know the respondent as Zachary RunningWolf, the police report filed in response to the
threats described below indicates that his legal name is Zachary RunningWolf Brown.

1 6. The threats began on February 26, 2019, when Mr. RunningWolf posted that
2 “w/in Wks” he would be “OUSTING Jesse Legally or Violently Times Up 4 this SATAN Cock
3 Sucking.” This general statement was immediately followed by a specific and explicit threat that
4 he was “getting Ready going to get [his] Bat out 2 Break EVERY Bone in [my] body
5 Warnin.” Attached as **Exhibit 1** is a true and correct copy of the Twitter thread dated Feb. 26,
6 2019.

7 7. Also that day, Mr. RunningWolf retweeted a post of mine and warned that I was
8 “soon 2 b Dead.” In that same thread, he stated that police officers would not protect me and
9 twice asserted that he and unnamed others “will move on” me and that “A Baseball Bat will b
10 Usd.” He stated that my “Life is NO Question 4 [him].” Attached as **Exhibit 2** is a true and
11 correct copy of this second Twitter thread dated Feb. 26, 2019.

12 8. Several weeks later, on March 25, 2019, Mr. RunningWolf again threatened again
13 to beat me to death, writing: “Realization should have People in the Streets looking for the
14 GUILTY which include . . . Jesse SOON 2 Be Beaten to DEATH Arreguin.” Attached as
15 **Exhibit 3** is a true and correct copy of the Twitter thread dated March 25, 2019.

16 9. Given the serious nature of this threat and the February threats, I reported the
17 Twitter post to the Berkeley Police Department on March 26, 2019. The police interviewed me
18 and filed a report that day. Attached as **Exhibit 4** is a true and correct copy of the police report
19 dated March 26, 2019.

20 10. Two days later, on March 28, 2019, Mr. RunningWolf again threatened violence
21 against me in another Twitter thread, stating that “If Jesse has NO VALUE 4 his Life that is his
22 Decision [and] I will TAKE” “the Necessary steps to Remove him EVEN violently.” Attached
23 as **Exhibit 5** is a true and correct copy of the Twitter thread dated March 28, 2019.

24 11. I do not believe these are empty threats, given the increasing belligerence and
25 violence that Mr. RunningWolf has demonstrated toward me and my staff.

26 12. For instance, Mr. RunningWolf has threatened me in the past at a public meeting
27 that we both attended, but the threat was not as explicit. On June 21, 2018, the City’s Fair
28 Campaign Practices Commission—which is responsible for the administration of local election

1 laws—heard a complaint against me filed by Mr. RunningWolf. At the meeting, the commission
2 voted to dismiss Mr. RunningWolf’s complaint. Angered by the commission’s action, Mr.
3 RunningWolf shouted profanities and, upon leaving the meeting room, shouted at me that he
4 would “see [me] in the streets” and that he “hope[d] [I was] well-guarded, you fucking punk.”
5 This was captured in a video of the meeting (beginning at 21:18), a true and correct copy of
6 which is attached as **Exhibit 6**.

7 13. This threatening behavior at the meeting was itself an escalation of Mr.
8 RunningWolf’s behavior in 2017 and early 2018, which I characterized as a “campaign of
9 harassment against me and my staff” in a letter submitted to the commission on April 11, 2018.
10 In the letter, I explained that “Mr. RunningWolf has . . . repeatedly defaced public property,
11 posting stickers and spray painting public property with hostile statements about me. Mr.
12 RunningWolf visited the home of one of my staff members and spray painted her driveway with
13 negative messages, defacing private property and raising concern for her and her neighbors’
14 safety (see attached photos). His behavior has been erratic, hostile, and at times illegal.”
15 Attached as **Exhibit 7** is a true and correct copy of my letter dated April 11, 2018.

16 14. The staff member referenced in the letter is my chief of staff, Jacquelyn
17 McCormick. I am informed that the message outside her condominium complex (and similar
18 previous messages in chalk) alarmed Ms. McCormick and her neighbors, and made them
19 sufficiently concerned about their safety that she installed video security cameras on her
20 property. Most recently, those security cameras captured images of Mr. RunningWolf entering
21 Ms. McCormick’s property on Dec. 29, 2018, to deliver a letter calling for me to resign.
22 Attached as **Exhibit 8** are true and correct copies of the letter and the security camera photos
23 dated Dec. 29, 2018.

24 15. These escalating experiences with Mr. RunningWolf since 2017 indicate to me
25 that he is an erratic, volatile, and increasingly enraged person. His recent Twitter messages also
26 show that his hostility toward me has taken a sharp turn to violent threats to “beat” me with a
27 baseball bat, “break every bone” in my body, and kill me. I believe these are credible threats and
28

1 are intended to make me believe I am under threat of death or serious bodily injury. As a result
2 of these threats, I have a genuine fear for my safety and the safety of others who work for me.

3 I declare under penalty of perjury under the laws of the State of California that the
4 foregoing is true and correct. Executed this 1st day of April, 2019.

Bring the UC Regents to JUSTICE

The UC Regents are caught colluding with developers, with their secret expansion of the student
population by 9000 with no Environment Impact Report, community input, or relief for students'
crowded classes.

All three city council candidates including Arreguin (found guilty of **18 campaign finance
convictions**) were caught lying that the UC was broke, and are now covering for the illegal 9000
student expansion to further profit the developers. Worthington, Maio, & Capitelli have all left the
council as the FIX IS IN.

Meanwhile Tokyo's Soil has become NUCLEAR WASTE due to the Fukushima Disaster, while
the UC FAILED to provide warning for evacuating Tokyo despite its secret models indicating this
was necessary.*

It is time to rally around **Indigenous Elder Zachary RunningWolf** who was
cheated out of the mayor's seat and whose leadership we need at this critical hour with global
warming (stopdriving.org) and the ongoing GENOCIDAL, ECOCIDAL nuclear disaster of
Fukushima poisoning the Pacific Ocean and Japan.

Case # 2019-00016102

REPORT NARRATIVE

BPD-108 (rev. 01-25-2013)

NARRATIVE

SUMMARY:

A city employee, [REDACTED] had found a twitter account that tweeted threats to physically harm the Mayor of Berkeley Jesse Arreguin. The account was linked to the user name "Zachary Runningwolf". Zachary Runningwolf Brown is a transient in Berkeley who had made threats to hurt Arreguin in past. Arreguin is wanting this incident to be documented so that he can obtain a restraining order against Brown.

INVESTIGATION:

On 3/26/2019 at approximately 1336 hours I was dispatched to a report of a twitter account with the user name "Zachary Runningwolf" tweeting threats to physically hurt the Mayor of Berkeley Jesse Arreguin.

I conducted a search of said twitter account and found a tweet that was posted on 3/25/2019. The tweet stated: "Tokyo's SOIL is NUCLEAR Waste" Realization should have People in the Streets looking for the GUILTY which include UC Greedians, Berkeley Fake Mayor Jesse SOON 2 Be Beaten to DEATH Arreguin & Media like KKKpfa (Especially Brian Edwards Teikert/Dennis Bernstein. Amy is Good Man". The twitter account also contained multiple tweets regarding world events and Brown's personal opinion about the issues. The aforementioned tweets have various messages of profanity.

I went to the Mayor's office located at 2180 Milvia St and activated my body worn camera. I entered the building and spoke to a city employee [REDACTED] told me that I needed to speak to the Mayor and the deputy city attorney themselves to obtain further details.

Thomsen directed me to the Berkeley deputy city attorney, [REDACTED] who told me that I needed to speak to the Mayor directly regarding this incident.

I contacted Arreguin in his office and he told me the following in summary:

Arreguin has known Brown to attend public governmental meetings. Brown has been very outspoken and expressed his personal opinions about Arreguin. At times, Brown would yell loudly during the meetings causing a disturbance. Arreguin stated that Brown has made threats in past and remembers threats dating to December of last year (2018). Arreguin said that the earlier threats at that time were not aggressive. Arreguin also recalls that Brown has gone to his home and vandalized his property with political graffiti verbiage. Arreguin said that he is taking this specific threat seriously because this would be the first time Brown has actually stated he would cause physically harm to him.

Arreguin directed the city employee, [REDACTED] who originally found the tweet into the office. [REDACTED] stated that he is a social media manager for the city. [REDACTED] found this tweet on the Twitter account with the username "Zachary Runningwolf"

Arreguin is not seeking criminal prosecution but will be obtaining a restraining order against Brown.

A DMV records check showed that [REDACTED] A CII and corpus record check showed that Brown has also [REDACTED]

Re: Amended Complaint Submitted by Zachary Running Wolf against Arreguin for Mayor 2016, Berkeley Working Families Committee (FPPC ID # 1391637), and Rent Board candidates Christina Murphy, Alejandro Soto-Vigil, Leah Simon-Weisberg, and Igor Tregub

Dear Ms. Mar,

I have reviewed the amended complaint submitted by Zachary Running Wolf alleging violations of the Berkeley Election Reform Act (BERA) by my candidate-controlled committee *Arreguin for Mayor 2016* ("Committee"), and violations by the independent expenditure committee *Berkeley Working Families supporting Arreguin & Worthington for Mayor, Moore & Bartlett for City Council, & Tregub, Soto-Vigil, Murphy, & Simon-Weisberg for Rent Board* and Rent Board candidates Christina Murphy, Alejandro Soto-Vigil, Leah Simon-Weisberg and Igor Tregub.

I am submitting this statement in response to Mr. Running Wolf's complaint. *Arreguin for Mayor 2016* did not violate BERA as Mr. Running Wolf alleges.

The governing law in both BERA and FPPC regulations clearly permit independent committees to make expenditures in support of or in opposition to a candidate or ballot measure. These expenditures if "independent" are exempt from local campaign contribution limits.

The key legal question in determining whether expenditures made by a committee were in fact "independent" is whether there was any coordination with the candidate or their agents.

Berkeley Municipal Code Section 2.12.140 states that an "independent committee" means:

"a committee which is not controlled either directly or indirectly by a candidate or controlled committee, and which does not act jointly with a candidate or controlled committee in connection with the receipt or solicitation of contributions or the making of expenditures. A committee may be controlled with respect to one or more candidates and independent with respect to other candidates."

Berkeley Municipal Code Section 2.12.142 defines an "independent expenditure" as:

"an expenditure made by any person in connection with a communication which expressly advocates the election or defeat of a clearly identified candidate or the qualification, passage or defeat of a clearly identified measure, or taken as a whole and in context, unambiguously urges a particular result in an election but which is not made to or at the behest of the affected candidate or committee."

2 California Code of Regulations Section 182254.7 states that an expenditure is not independent and is subject to contribution limits if it was made "*in cooperation, consultation, coordination, or concert with*" the candidate or their campaign.

The expenditures made by the *Berkeley Working Families Committee* were not made in "*cooperation, consultation, coordination or in concert with*" Arreguin for Mayor 2016. Neither I nor anyone working with or for my Committee ever discussed the creation of web content, mailers or any expenditures made by the *Berkeley Working Families Committee*. None of the expenditures or actions taken by this independent committee was made at my campaign's "*request or suggestion*". I had no knowledge of the actions of this committee and only became aware of these independent expenditures after they were made, either by visiting Facebook or receiving mailers in my mailbox. Therefore, they constitute an "Independent Expenditure" and are exempt from BERA's limits on individual contributions to a candidate.

In reviewing the City of Berkeley's campaign filing records, the *Berkeley Working Families Committee* was established on October 11, 2016, and was primarily formed to support Jesse Arreguin and Kriss Worthington for Berkeley Mayor, Ben Bartlett and Darryl Moore for City Council, and Christina Murphy, Alejandro Soto-Vigil, Leah Simon-Weisberg and Igor Tregub for Rent Stabilization Board Commissioner. The committee was sponsored by SEIU Local 1021, the California Nurses Association and UNITE HERE Local 2850.

Nowhere in Mr. Running Wolf's complaint did he provide any evidence to support his allegations. Instead Mr. Running Wolf makes a number of unsupported and outlandish claims. In his complaint, Mr. Running Wolf refers to an October 26, 2016 *Berkeleyside* article. However that article clearly acknowledges that the expenditures were made by an "independent expenditure committee".

He claims that "*as the mayoral candidate, Jesse Arreguin was both responsible for the conduct of his campaign committee and the primary beneficiary of its actions*". However as noted, the actions taken by the *Berkeley Working Families Committee* were independent of my campaign, and therefore I had no prior knowledge of any expenditures and have no responsibility over their actions.

In addition, while Berkeley Municipal Code section 2.12.440 prohibits contributions from labor unions directly, FPPC Regulations R2.12.440 states that:

"a contributor who has received contributions from a "labor union...is not precluded from making contributions to candidates for Berkeley elective office or their campaigns"

provided that either (1) the contributor establishes a separate bank account into which monies not contributed by this type of organization are deposited and from which contributions to Berkeley elective office campaigns are made, or (2) the contributor maintains reasonable accounting methods so as to demonstrate that any contributions made to Berkeley elective office campaigns originate from sufficient funds not contributed by this type of organization.

It is worth noting that SEIU Local 1021 PAC never made an individual contribution to Arreguin for Mayor 2016.

Based on my review of public records, it appears that the *Berkeley Working Families Committee* was a separately established Primarily Formed and Sponsored Committee which received contributions from a number of legally acceptable sources (Political Action Committees of SEIU Local 1021, California Nurses Association and UNITE HERE Local 2850) and made expenditures independent of my controlled committee. Independent expenditure committees are permissible under state and local law. Mr. Running Wolf's reading of local and state law is misapplied.

Mr. Running Wolf further claims that *"In addition to these financial ties, political coordination between Arreguin, his campaign and his PAC can be clearly seen through [his] endorsement of the CALI rent board slate as well as Kriss Worthington for Mayor"*. Since the actions and expenditures made by Berkeley Working Families were independent of my campaign there are no ties and they do not violate state or local law.

As a candidate and citizen of the United States, I have constitutional rights and can endorse or oppose any person for public office. My personal endorsements of specific candidates have no bearing on the factual determination of whether there was coordination between *Arreguin for Mayor 2016* and the *Berkeley Working Families* independent committee.

While Mr. Running Wolf's complaint makes a number of unproven allegations, he has provided no evidence of any violation. In fact, there is no evidence because no cooperation, consultation or coordination ever took place. His complaint should therefore be dismissed. Further, his request that the FCPC enforce Berkeley Municipal Code Section 2.12.470 allowing a determination that the *"office of such a candidate shall be forfeited"* is moot, as there was no violation of the FCPC.

While not the subject of this specific complaint, it is worth noting that over the past year Mr. Running Wolf has been engaged in a campaign of harassment against me and my staff. He has falsely claimed that I was responsible for his arrest and incarceration for defacement of public property. With no basis, he has alleged that my election as Mayor was fraudulent, despite the fact that over 29,000 voters chose me to be their mayor – approximately 60% of those who voted. The election was certified by the Alameda County Registrar of Voters, the Berkeley City Clerk and the Berkeley City Council. Mr. Running Wolf has also repeatedly defaced public property, posting stickers and spray painting public property with hostile statements about me. Mr. Running Wolf visited the

home of one of my staff members and spray painted her driveway with negative messages, defacing private property and raising concern for her and her neighbors' safety (see attached photos). His behavior has been erratic, hostile, and at times illegal. Sadly, he is now using the FCPC as a venue to further his campaign of intimidation and harassment.

I respect and appreciate your work to fairly enforce our campaign finance laws to ensure an equitable electoral process. I ask that you examine the clear facts in this case and dismiss this unfounded complaint.

Respectfully,

Jesse Arreguin
